

Illustration on bleached sulphite pulp

Characteristics

C. I.	Pigment Red 2
C. I. No.	12310
CAS No.	6041-94-7

Properties

Light Xenotest	4
Waste water colouring	4-5
Specific weight [g/cm ³]	1,07

Application possibilities

Dyeing in Mass	●
----------------	---

Application possibilities

Acid sizing	
	x % Spoloxyl dye
	2 % Hercat 2511
	4 % aluminium sulphate

Testing methods
